PROFILE

Production leader and video editor with a pastoral heart for serving the Church. More than a decade of hands-on ProPresenter experience, from church plants to multi-campus churches. Experienced in leading production teams, integrating technical systems, managing creative media, and training volunteers.

EXPERIENCE

Video Editor | Streamline | Current

Video editing, alongside ongoing church production leadership.

Production Director (Volunteer) | Steel City Church | 2021-Present

Lead production teams across audio, video, and lighting. Set up and operate ProPresenter weekly. Develop automation using RossTalk and MIDI to control Lightkey and ATEM switching for live streaming.

Production Director (Part-time) | Butler Community Alliance Church | 2024-Present

Lead production teams and manage service production. Schedule volunteers and oversee ProPresenter setup and execution. Installed DeckLink cards in multiple rooms and configured alpha keying.

ProPresenter Remote Manager (Semi part-time) | Shandon Baptist Church | Ongoing

Prepare ProPresenter for choir and worship teams weekly, supporting Wednesday rehearsals and Sunday worship services.

Custom Director | Church Visuals | 2020-November 1, 2025

Led production teams and managed custom visual media projects for churches. Supported customer relationships and organized workflows, cloud storage, website delivery, and administration. Created ProPresenter training resources.

Media Associate (ProPresenter) | Shandon Baptist Church | 2015-2020

Led production teams and managed ProPresenter systems across multiple campus locations. Supported worship services and special events. Installed integrated video distribution systems.
